

**ITE Climate Change and Energy Task Force
Brainstorming Session – Potential Task Force / ITE Council Projects**

**August 12, 2009
10:30 AM – 12:00 Noon**

Agenda

- 1) Welcome and introductions (10 minutes)
- 2) Review of Task Force mission and current activities (10 minutes)

Mission statement: Facilitate transportation solutions that incorporate global climate change and energy concerns spanning the range of ITE member interests

- 3) Review of current ITE member roles (draft brochure) and communications toolbox (10 minutes)
- 4) Breakout Groups for Brainstorming Projects (60 minutes) – topics include potential projects to help ITE members understand how our best practices might adjust to:
 - a) Refine intervention strategies to reduce impacts
 - b) Plan, locate, and manage assets in reaction to climate change impacts
 - c) Analyze and evaluate impacts
