Innovative Intermodal Solutions for Urban Transportation Paper Award in Memory of Daniel W. Hoyt (in conjunction with ITE Transit Council)

Submittal Deadline: April 1st

This award has two purposes: to encourage reporting of activities and programs that have been effective in addressing urban transportation needs through the development of innovative, practical and balanced intermodal solutions; and to publicize the role of transportation professionals in achieving innovative solutions to urban transportation needs.

ELIGIBILITY:

- ❑ Any individual transportation professional, member or non-member of ITE, who actively has been involved with and reports on intermodal activity or programs that address urban transportation issues.
- ❑ For a paper to be eligible, it must be published in the Annual Meeting Compendium, the Technical Conference Compendium, or the *ITE Journal*.

SUBMITTAL PROCEDURE:

- ❑ Please send your submissions electronically in a PDF format **no later than 5pm EST on April 1st** to:

(Subject Line: Daniel W. Hoyt Award)

SELECTION PROCESS:

- ❑ After an initial screening process conducted by session presiders and other volunteers, the subset of potential finalist papers is narrowed down to the 5-8 finalist papers. The finalist papers will be reviewed by a subcommittee of the Transit Council and the winning paper is selected based on the highest score from the judging criteria. The Awards Chair then notifies ITE headquarters by May 1st of the winner.

AWARD:

- ❑ Recognition at the ITE Annual Meeting and in *ITE Journal*
- ❑ Plaque
