## MANAGEMENT & OPERATIONS/ITS COUNCIL BEST PROJECT OF THE YEAR AWARD

**Deadline: March 1<sup>st</sup>**

The ITE Management & Operations/ITS Council Award is given annually in two categories: individual and organization. The award seeks to recognize the development and/or implementation of notable projects, which demonstrate the use of ITS technologies to improve the efficiency of surface transportation facilities with significant societal mobility.

### **ELIGIBILITY:**

- Project must be completed and/or published during the previous calendar year.
- The project must produce a product, which will have utility to ITE, its members, or the profession over time.
- Entries are solicited from individuals, agencies and organizations that have achieved one or more of the following:
  - ✓ Design and/or implementation of a project employing advanced transportation technologies in any of the ITS functional areas
  - ✓ Conduct of substantial research which has contributed to the advancement of state-of-the-art ITS technologies
  - ✓ Management and coordination of ITS technologies resulting in the implementation of an ITS project involving multiple agency jurisdictions
  - ✓ Other significant innovations that have helped to advance ITS technologies
- ITE membership is not a requirement to apply for this award

### **EVALUATION CRITERIA:**

- Uniqueness
- Excellence of achievement
- Innovation and application of emerging ITS technologies

### **SUBMITTAL PROCEDURE:**

- Project nominations shall include the nominee's name and supporting documentation describing the nominee's achievement in ITS, the project and how the project meets the eligibility criteria.
- The entire package must not exceed 20 pages.
- Please send submission electronically as one file in a PDF format **no later than 5:00 p.m. on March 1<sup>st</sup>** to:

**Daryl Taavola**

Chair, M&O/ITS Council Awards Committee
