PEDESTRIAN AND BICYCLE COUNCIL AWARD

Deadline: March 1st

The ITE Pedestrian and Bicycle Council Best Project Award is bestowed on a project that applied innovative design solutions or study techniques related to non-motorized transportation. Projects that best benefit the profession and the public are encouraged to be submitted for consideration. Submissions that effectively communicate a problem statement, clearly outline methods used, highlight results, advance feasible and reliable solutions, and demonstrate the benefits to the public will be given the highest consideration.

Eligibility:

- ❑ For a project to be considered eligible for the award, it must have been fully completed during 2011. Completion may include publishing a study or report, finalizing design documents, or completing construction.
- ❑ A Pedestrian and Bicycle Council member should have had a significant role in conducting the project.

Process

- ❑ Applications are due no later than March 1.
- ❑ A review committee will review and score each application received and will submit the winning application to ITE headquarters no later than May 1.
- ❑ ITE staff will notify all participants no later than June 1.
- ❑ Winners will receive a plaque and be recognized at the ITE Annual Meeting and in the ITE Journal.

Submittal Procedure

- ❑ Please submit a cover letter and an electronic copy of the written product (report, plan, etc.) in pdf format.
- ❑ Cover letters should describe how the project fulfilled each of the following five evaluation criteria.
 1. Originality
 2. Quality
 3. Significance
 4. Comprehensiveness
 5. Transferability to other places or agencies

Please send your submission or questions electronically **no later than 5:00 p.m. on March 1, 2012** to:
