

**TRANSPORTATION SAFETY COUNCIL
EDMUND R. RICKER AWARDS**

The Edmund R. Ricker Awards are given in two categories: individual and organization for outstanding contributions to the field of traffic safety and are chosen by members of the Transportation Safety Council each year.

The individual award is given to a person who is recognized as a leader in the field of traffic safety through his/her safety activities in professional organizations, in the community, or in the performance of traffic engineering.

The organization award is given to an organization that has provided exemplary support for traffic safety through financial support, public relations, or other means.
