MARTIN E. LIPINSKI RECEIVES COORDINATING COUNCIL AWARD FROM THE INSTITUTE OF TRANSPORTATION ENGINEERS

AUGUST 5, 2007, WASHINGTON, DC—Martin E. Lipinski, professor at the University of Memphis in Memphis, TN, USA, received the 2007 Coordinating Council Award at the Institute of Transportation Engineers (ITE) 2007 Annual Meeting and Exhibit, being held August 5-8, 2007 in Pittsburgh, PA, USA.

Mr. Lipinski received the award in recognition of the outstanding Transportation Education Council project entitled “Recruitment Toolbox for Transportation Professionals,” selected as the best project completed during 2006 by an ITE Council.

The ITE Coordinating Council Award recognizes outstanding technical committee contributions to the ITE Coordinating Council Program. Selection is based primarily on the significance of the committee’s contributions to the transportation engineering profession, the extent to which it met its objective and the value and usefulness of the form in which its work is reported.

For a complete listing of all of ITE’s 2007 award winners, visit the ITE Web site at www.ite.org.

The Institute of Transportation Engineers is an international educational and scientific association of transportation professionals who are responsible for meeting mobility and safety needs. Through its products and services, ITE promotes professional development of its members, supports and encourages education, stimulates research, develops public awareness programs and serves as a conduit for the exchange of professional education.

Founded in 1930, ITE serves as your source for expertise, knowledge and ideas through meetings, seminars and publications, and through its network of more than 17,000 members working in more than 92 countries.
