SCOTT A. COONER RECEIVES TRAFFIC ENGINEERING COUNCIL AWARD FROM THE INSTITUTE OF TRANSPORTATION ENGINEERS

AUGUST 5, 2007, WASHINGTON, DC—Scott A. Cooner, program manager at the Texas Transportation Institute in Arlington, TX, USA, received the Traffic Engineering Council Outstanding Paper Award at the Institute of Transportation Engineers (ITE) 2007 Annual Meeting and Exhibit, being held August 5-8, 2007 in Pittsburgh, PA, USA.

The paper was entitled “Operational and Safety Guidelines Around Schools in Texas.”

For a complete listing of all of ITE’s 2007 award winners, visit the ITE Web site at www.ite.org.

The Institute of Transportation Engineers is an international educational and scientific association of transportation professionals who are responsible for meeting mobility and safety needs. Through its products and services, ITE promotes professional development of its members, supports and encourages education, stimulates research, develops public awareness programs and serves as a conduit for the exchange of professional education.

Founded in 1930, ITE serves as your source for expertise, knowledge and ideas through meetings, seminars and publications, and through its network of more than 17,000 members working in more than 92 countries.
