## **MASSACHUSETTS HIGHWAY DEPARTMENT RECEIVES TRANSPORTATION ACHIEVEMENT AWARD FROM THE INSTITUTE OF TRANSPORTATION ENGINEERS**

AUGUST 5, 2007, WASHINGTON, DC—The Massachusetts Highway Department received the Transportation Achievement Award for All Users at the Institute of Transportation Engineers (ITE) 2007 Annual Meeting and Exhibit, being held August 5-8, 2007 in Pittsburgh, PA, USA.

The Massachusetts Highway Department was recognized for the 2006 MassHighway Project Development and Design Guide. The Project Development and Design Guide represents a comprehensively defined project development process written in a manner that is useful for professionals, government officials and the general public alike, with truly multimodal guidelines that encompass nationwide best practices to promote safety, mobility and context-sensitive design.

The Transportation Achievement Award for All Users recognizes significant and outstanding transportation achievements by other entities concerned with safety improvements in transportation, such as government agencies, legislative bodies, consulting firms, industry and other private-sector organizations.

For a complete listing of all of ITE's 2007 award winners, visit the ITE Web site at [www.ite.org](http://www.ite.org).

The Institute of Transportation Engineers is an international educational and scientific association of transportation professionals who are responsible for meeting mobility and safety needs. Through its products and services, ITE promotes professional development of its members, supports and encourages education, stimulates research, develops public awareness programs and serves as a conduit for the exchange of professional education.

Founded in 1930, ITE serves as your source for expertise, knowledge and ideas through meetings, seminars and publications, and through its network of more than 17,000 members working in more than 92 countries.
