METROPOLITAN SECTION OF NEW YORK AND NEW JERSEY RECEIVES SECTION ACTIVITIES AWARD FROM THE INSTITUTE OF TRANSPORTATION ENGINEERS

AUGUST 20, 2008, WASHINGTON, DC—The Metropolitan Section of New York and New Jersey received the Section Activities Award at the Institute of Transportation Engineers (ITE) 2008 Annual Meeting and Exhibit, being held August 17–20, 2008 in Anaheim, CA, USA.

The Metropolitan Section of New York and New Jersey was recognized for the overall program of services offered to the Metropolitan Section of New York and New Jersey membership in the areas of membership involvement, financial management, legislative and technical activities and student mentoring.

Initiated in 1992, the Section Activities Award is designed to encourage and promote active involvement by ITE sections in activities promoting the purpose and objectives of ITE. Award recipients are recognized for the overall quality of section activities, such as technical meetings, technical committees, technical reports, seminars, training programs, student participation, career guidance, membership campaigns and public relations efforts.

For a complete listing of all of ITE's 2008 award winners, visit the ITE Web site at www.ite.org.

The Institute of Transportation Engineers is an international educational and scientific association of transportation professionals who are responsible for meeting mobility and safety needs. Through its products and services, ITE promotes professional development of its members, supports and encourages education, stimulates research, develops public awareness programs and serves as a conduit for the exchange of professional education.

Founded in 1930, ITE serves as your source for expertise, knowledge and ideas through meetings, seminars and publications, and through its network of more than 17,000 members working in more than 92 countries.
