

ITE Transportation Consultants Council

2010 Action Plan

Mission: To provide the Consultant Community with materials and training that support the needs of the community at various stratum within organizations large and small, and to identify issues and needs within the consultant community for consideration by leadership of the Institute.

Goals and Objectives

- Complete reorganization process through work with ITE HQ, the IBD and the Coordinating Council.
 - Reconstitute Executive Committee as necessary based on outcome of process
 - Develop basic structure of expanded Council (either employer or employee based)
- Be a focal point for the consultant's community needs for business skills training.
 - Define desired products and needs
 - Begin development of course materials for a "Leadership Academy" Program
- Maintain and enhance ties with Transportation Educators and Public Agency Councils
 - Continue joint session(s) during Annual Meetings
 - Encourage formatted discussions at District and local levels to promote improvement of consultant and public agency relationships.

Action Items

- Continue pursuit of Council reorganization. Desired outcome will be change from an employer based council to an employee (Member) based Council, consistent with all other ITE Council frameworks. Continue conversations concerning reorganization with Public Agency and Educator's Councils. (Anticipated Board action 8/2010)
- Redefine Council structure based on outcome of reorganization effort (ready for adoption at 1/2011 Executive Committee)
- Redefine Council Executive Committee (for beginning of 2011)
- Develop basic course/training material framework for "Leadership Academy".
- Poll TCC membership on the benefits of such a program and where expansion of the program should lead.
- Develop model plan for transportation internship program. (Draft for TCC review 8/2010 with input then sought from Education and Public Agency Council).
- Continue/enhance relationship with Public Agency and Education Councils and the Standing Committee on Ethics including session at the Annual Meeting.
