

Web Seminar Schedule

ITE Web seminars are available to assist you in meeting your professional development needs. The single site registration fee allows you to maximize training opportunities by allowing as many employees as you like to view the Web seminar of your choice at the designated time. Equipment needed: Computer with high speed Internet connection and touch tone speaker phone. Prices, times and dates are subject to change. To learn more about ITE's Web seminars, please visit the ITE Web site at www.ite.org/education/webinars.asp.
