MANUAL OF TRANSPORTATION STUDIES ADVISORY COMMITTEE SELECTED

JUNE 9, 2008, WASHINGTON, DC—The Institute of Transportation Engineers (ITE) is in the process of developing a 2nd edition of the *Manual of Transportation Studies*. In response to a call for volunteers to assist in shaping the technical content for this important resource, ITE has selected a small group of experts with diverse backgrounds and skills. The eleven individuals selected for this role include:

- Ralph Boaz, President, Pillar Consulting
- T. William Brockenbrough Jr., P.E., AICP, County Coordinator, DelDOT Planning
- J. Michael Y. Ereti, P.E., City Traffic Engineer, City of San Antonio, TX, USA
- Gary L. Hebert, P.E., PTOE, Vice President, Fay, Spofford & Thorndike
- John Hemingway, P.Eng., PTOE, Manager of Transportation, Morrison Hershfield
- Steven Jones, Associate, Waterman International, Dublin, Ireland
- R. J. Nairn, President, Bob Nairn Consultant Pty. Ltd.
- Patrick J. O'Mara, P.E., Senior Transportation Engineer, STV Inc.
- Eric C. Shen, P.E., PTP, Director of Transportation Planning, The Port of Long Beach, CA, USA
- Eric J. Tripi, P.E., PTOE, Director of Operations—South Carolina, Iteris Inc.
- Jan Voss, P.Eng., PTOE, President, Creative Transportation Solutions Ltd.

The Institute of Transportation Engineers is an international educational and scientific association of transportation professionals who are responsible for meeting mobility and safety needs. Through its products and services, ITE promotes professional development of its members, supports and encourages education, stimulates research, develops public awareness programs and serves as a conduit for the exchange of professional education.

Founded in 1930, ITE serves as the gateway to transportation knowledge and advancement through meetings, seminars and publications, and through its network of more than 17,000 members working in more than 92 countries.
