

NOTICE OF APPEAL OF ITE STANDARD FOR THE ATC CONTROLLER

ITE has officially received two appeals of the ATC Controller Standard on Feb. 13, 2004.

Pursuant to the ITE procedures and Chairman Andy Mao request, each allegation in these appeals will be addressed by the ATC Joint Committee on March 26, 2004 at the Hyatt Regency in Irvine, CA and a response will be submitted to each appellant, by Chairman Andy Mao after the meeting.

Attached you will find an excerpt from the "ITE Procedures for Development of Standards", we will follow these rules for the Irvine Meeting. If you have any questions or need any additional information, it is important that you contact me directly.

Electronic copies of each appeal have been posted on the ITE Website for review.

Thanks in advance for your assistance in this matter.
