# NAVIGATING THE EVENT

ITE Virtual Spring  
Conference 2025

March 25-26

## Two Ways to Get Where You Want to Go

---

*We're excited to have you join us for two days of engaging discussions, expert insights, and networking opportunities focused on transportation safety and innovation. This guide provides essential details to help you navigate the event seamlessly.*

### How to Access the Conference

You can join sessions in two ways:

1. Through the ITE Learning Hub: [Access here](#)
2. Direct Links in the Program Schedule

If you have trouble logging in, contact [membership@ite.org](mailto:membership@ite.org).

## Tech Tips for the Best Experience

---

- Use a strong internet connection and a laptop for the best viewing experience.
- Log in a few minutes early to check your audio/video.
- Mute yourself when not speaking to minimize disruptions.

For tech assistance, email [sbyrd@ite.org](mailto:sbyrd@ite.org).

## Earning PDH and CM Credits

---

- Attend the full session (live or recorded).
- Complete the evaluation (linked at the end of each session).
- Your certificate will be available in the ITE Learning Hub under the Certificates tab.

For questions, contact [kfigueira@ite.org](mailto:kfigueira@ite.org).

## Conference Policies

---

- Recording and Copyright: Unauthorized recording or distribution of materials is prohibited.
- Participation Conduct: We encourage respectful, professional engagement during sessions.
