

A Community of Transportation Professionals

FAQs for ITE Student Members

- **How do I know if I am eligible for Student membership?**

Membership is FREE for both full-time undergraduate and graduate students studying any transportation related career path at a 4-year university or college. Check out ITE's [Student Membership](#) for more information.

- **How can I update my ITE profile?**

Visit ITE's International home page. At the top left corner, click "Log In". Once you are logged into your account, the "My Profile" tab will appear at the top left corner. Students will need to verify **contact information, date of birth, anticipated graduation date, major, and school**. the following to ensure your account remains up to date with your academic credentials

- **How can I maximize my membership?**

Stay connected with us through ITE's communication platforms and ongoing resources to help prepare you for your classroom curriculum and future career in transportation. With over 18,000 ITE members, students can foster connections and become the next generation of leaders.

- **How can I learn more about professional development opportunities?**

If you've checked out the "Recognition and Professional Development tab on Student Membership web page, please contact membership@ite.org to further assist you with professional development opportunities tailored specifically to you and your needs.

- **How can I follow ITE Headquarters on social media?**

Click [here](#) to follow ITE International on all social media platforms.
