ITE SAFETY COUNCIL EDMUND R. RICKER
INDIVIDUAL/ORGANIZATION AWARDS

Purpose
The ITE Safety Council Individual Award is given to a person who is recognized as a leader in the field of traffic safety through his/her safety activities in professional organizations, in the community, or in the performance of traffic engineering.

The Safety Council Organization Award is given to an organization that has provided exemplary support for traffic safety through financial support, public relations, or other means.

Eligibility
Individuals or organizations that have completed significant projects or demonstrated a strong commitment to improving transportation safety are eligible.

Award
Awards will consist of a trophy or plaque given at the ITE Annual Meeting and Exhibit and recognition in ITE Journal.

Submission/Selection Process
A nomination letter is required and supporting documentation such as descriptions or projects, resumes, etc. is required for each award and must be submitted via https://ite-awards.secure-platform.com/a/ no later than March 1. A committee of three members of the Safety Council Executive Committee selects the award winners by April 1.
