

Membership in the ITE Consultants Council is an opportunity to provide leadership for consultant agencies and collaborate with the Public Agency and Industry Councils on projects that are important to our overall industry.

The fees for participation are based upon the number of employees within your company. Each company that joins can provide the name of one senior level representative for whom they recommend be considered for the Consultant Council Executive Committee. Every ITE member from your company will be able to participate in Council activities.

You can sign up and pay by check using this form. If you want to pay by credit card, use the online form: <https://www.ite.org/membership/consultants-council/>
