- **Katherine Shearin**, P.E., PTOE, Georgia Department of Transportation

In announcing the 2021 Young Leaders to Follow, ITE Executive Director and CEO Jeff Paniati said, “ITE has long recognized the importance of fostering emerging talent in our industry. Starting with active involvement in our student chapters, ITE takes pride in providing a pathway to success for young, engaged leaders. Today we are pleased to recognize the inaugural class of ITE Young Leaders to Follow. These 20 individuals have distinguished themselves at a relatively early age through their contributions to ITE and the profession. We celebrate their many accomplishments and look forward to following and supporting their careers in the years to come.”

**About ITE** — Founded in 1930, ITE is a community of transportation professionals including transportation engineers, transportation planners, consultants, educators, technologists, and researchers. Through meetings, seminars, publications, and a network of more than 16,000 members working in 78 countries, ITE connects members to a world of ideas, people, and resources.
