

## ITE AWARDS SUMMARY TABLE

This is a quick guide to determine the awards you would like to apply for. Please review the full awards brochure for specifics on each award.

### International Awards

Award Name	Purpose	Eligibility	Award
<b>BURTON W. MARSH AWARD FOR DISTINGUISHED SERVICE</b>	Recognize an individual who has contributed to the advancement of ITE over a period of years in an outstanding fashion.	<ul style="list-style-type: none"> <li>Any ITE member who has shown dedicated service to ITE and the profession of transportation engineering.</li> <li>Officers and Directors of ITE are not eligible while on the International Board of Direction.</li> </ul>	A trophy or plaque, given at the ITE Annual Meeting and Exhibit Awards Lunch along with a free registration to the meeting and a guest ticket to the Awards Lunch as well as recognition in <i>ITE Journal</i> .
<b>THEODORE M. MATSON MEMORIAL AWARD</b>	Recognize an individual who has made an outstanding contribution to the practice of traffic engineering.	<ul style="list-style-type: none"> <li>The individual does not need to be an ITE member and should have shown outstanding accomplishments in the field of traffic and transportation engineering.</li> <li>Officers and directors of ITE are not eligible while on the International Board of Direction.</li> </ul>	A trophy or plaque, given at the ITE Annual Meeting and Exhibit Awards Lunch along with a free registration to the meeting and a guest ticket to the Awards Lunch. The Paper may be considered for publication in <i>ITE Journal</i> .
<b>WILBUR S. SMITH DISTINGUISHED TRANSPORTATION EDUCATOR AWARD</b>	Recognize transportation educators that help their students advance their professional development, enhance their opportunities to network with practicing transportation professionals, and become active participants in the profession.	<ul style="list-style-type: none"> <li>The nominee must be or have been employed by an accredited college/university to teach undergraduate and/or graduate courses in transportation.</li> <li>The nominee must have provided students w/ the opportunity to relate their coursework in transportation with the actual practice of transportation.</li> <li>The nominee should have provided students with knowledge, skills, and values which as professionals will allow them to anticipate needs to harness innovative, cost-effective technologies to solve future problems.</li> </ul>	A trophy or plaque, given at the ITE Annual Meeting and Exhibit Awards Lunch and a free registration to the meeting along with a guest ticket to the Awards Lunch and recognition in <i>ITE Journal</i> .
<b>TRANSPORTATION ACHIEVEMENT AWARDS</b>	Recognize organizations concerned with transportation such as governmental agencies, legislative bodies, consulting firms, industry, and other organizations. Categories include: transportation planning, design, operations, advocacy, and safety.	<p>Award candidate could be:</p> <ul style="list-style-type: none"> <li>Governmental agency or entity</li> <li>Transportation consulting firm</li> <li>Private business or corporation</li> <li>Combined public/private institution</li> <li>Academic institution</li> </ul>	Award will consist of a trophy or plaque, given at the ITE Annual Meeting and Exhibit Awards Lunch as well as recognition in <i>ITE Journal</i> .
<b>RISING STAR/YOUNG MEMBER OF THE YEAR AWARD</b>	Designed to recognize members under the age of 35 who have already made an impact on the profession, have demonstrated the ability to lead the next generation, and have implemented innovative techniques to solve transportation problems. Each year's Rising Stars Class will consist of 10 representatives from each of ITE's Districts, and one will be selected as the Young Member of the Year.	<p>Award candidate:</p> <ul style="list-style-type: none"> <li>Must be 35 years old or younger on January 1, 2018</li> <li>Must be a non-student member of ITE</li> <li>Must be a current district winner or previous member of a Rising Stars class</li> </ul>	Award will consist of a trophy or plaque, given at the ITE Annual Meeting and Exhibit Awards Lunch, recognition in <i>ITE Journal</i> and other media, a complimentary registration to the 2017 ITE Annual Meeting, and a travel stipend of up to \$1,000 (receipts must be submitted).

## District Awards

Award Name	Purpose	Eligibility	Award
<b>DANIEL B. FAMBRO STUDENT PAPER AWARD</b>	Encourages ITE student members to conduct and report on independent and original research and investigation of transportation subjects and to provide a means for recognizing outstanding accomplishment in this area. The award honors the work of Daniel B. Fambro, who was a professor at Texas A&M University and an associate research engineer at the Texas A&M Transportation Institute and passed away in 1999.	Any individual member of ITE who: <ul style="list-style-type: none"> <li>Was a student member between April 1 of the prior year and March 31 of the current year; and</li> <li>Completed work providing a basis for the paper while a student member of ITE.</li> </ul>	Award will consist of a trophy or plaque, given at the ITE Annual Meeting and Exhibit Awards Lunch. A travel reimbursement up to \$1,000 to attend the meeting as well as a free Annual Meeting Registration will be given. The paper may be considered for publication in ITE Journal. award
<b>DISTRICT/SECTION COMMUNICATIONS AWARD</b>	Recognizes the District or Section that during a calendar year most effectively communicates with its membership through innovative approaches and the use of new media.	The District or Section must have a communications plan with actionable goals and show the effectiveness of the steps taken to reach the goals. Measurable metrics should be included with submission.	Award will consist of a trophy or plaque, which will be given at the ITE Annual Meeting and Exhibit Awards Lunch and recognition in <i>ITE Journal</i> .
<b>STUDENT CHAPTER AWARD</b>	Encourage Student Chapters to: <ol style="list-style-type: none"> <li>Achieve the objectives of the Student Chapter Charter: “to promote the advancement of transportation and traffic engineering by fostering the close association of students with the transportation and traffic engineering profession and ITE; to acquaint Chapter Members with topics of interest in transportation and traffic engineering through the medium of addresses by competent speakers, and of Chapter-sponsored trips; to foster the development of professional spirit; to promote common interests among Chapter members; and to encourage the expansion of facilities for transportation and traffic engineering study.”</li> <li>Provide a means for ITE to recognize outstanding accomplishments in such activities.</li> </ol>	The Student Chapter must hold a current charter from ITE.	Award will consist of a trophy or plaque, which will be given at the ITE Annual Meeting and Exhibit Awards Lunch. A travel reimbursement for student(s) up to \$1,000 to attend the meeting, one free Annual Meeting registration, two tickets to the awards lunch, and recognition in <i>ITE Journal</i> .
<b>SECTION/CHAPTER ACTIVITIES AWARD</b>	Initiated in 1992, the Section Activities Award (now including chapters) is designed to encourage and promote active involvement by ITE sections and chapters in activities, promotion, and the purpose and objectives of ITE. It recognizes the overall quality of the activities, whether technical or non-technical, and may include meetings, committees, reports, seminars and training programs, student participation, career guidance, membership campaigns, or public relations activities.	In order for a Section/Chapter to qualify for the award, they must submit a Section’s/Chapter’s annual report to their respective District. The report should not exceed 20 pages including background materials. The report should be accompanied by a summary of the Section’s/Chapter’s activities for the year.	The award will consist of a trophy or plaque given at the ITE Annual Meeting and Exhibit Awards Lunch and recognition in <i>ITE Journal</i> .

## Council Awards

Award Name	Purpose	Eligibility	Award
ITE COORDINATING COUNCIL BEST PROJECT AWARD	Recognizes the best technical product resulting from work developed, completed, and sponsored by a Council in the previous calendar year. This award is not limited to only volunteer projects.	<ul style="list-style-type: none"> <li>Committee reports, which were received for publication by ITE Headquarters during the preceding calendar year, will be eligible for nomination for the Best Project Award.</li> <li>Proposed standards or recommended practices will be eligible, only if they have been approved by the Standards Approval Board during the preceding calendar year.</li> </ul>	Award will consist of a trophy or plaque given at the ITE Annual Meeting and Exhibit, as well as recognition in <i>ITE Journal</i> .
TRANSPORTATION CONSULTANTS COUNCIL DISTINGUISHED CONSULTANT AWARD	Recognizes an individual who has served as an inspiration to others by means of continued dedication to the profession and his/her community as well as to ITE.	<ul style="list-style-type: none"> <li>Must be a member of ITE and member of the Transportation Consultants Council</li> <li>Have served ITE and/or the Council with dedication and commitment</li> <li>Be respected by peers for contributions and service to the transportation profession and his/her community</li> </ul>	Award will consist of a trophy or plaque given at the ITE Annual Meeting and Exhibit, as well as recognition in <i>ITE Journal</i> .
ITE COMPLETE STREETS COUNCIL BEST PROJECT AWARD	Bestowed on a project that applies innovative design solutions or study techniques related to complete streets. Projects that best benefit the profession and the public are encouraged to be submitted for consideration.	Project must have been fully completed during the prior calendar year. Completion may include publishing a study or report, finalizing design documents, or completing construction.	Award will consist of a trophy or plaque given at the ITE Annual Meeting and Exhibit as well as recognition in <i>ITE Journal</i> .
ITE TRANSPORTATION PLANNING COUNCIL BEST PROJECT AWARD	Bestowed annually to a transportation planning project that applies innovative techniques and solutions to a planning study or program.	Project must have been fully completed during the prior calendar year. Completion would include the publication of a study, program, and/or report. In addition, an ITE member (either employed by the organization commissioning the project or employed by the organization performing the work related to the project) should have had a significant role in conducting the project.	The Award will consist of a trophy or plaque given at the ITE Annual Meeting and Exhibit as well as recognition in <i>ITE Journal</i> .
ITE TRAFFIC ENGINEERING COUNCIL TECHNICAL ACHIEVEMENT AWARD	Recognizes the outstanding technical products of the council, accomplishments of individuals or groups within the council, outstanding papers, or outstanding workshops, or webinars on traffic engineering topics.	Project/workshop/webinar/paper/individual achievement nominations must be completed and published (or other applicable products delivered) in the year proceeding when the award is given. The individual or at least one team member of the group, must be an ITE Traffic Engineering Council (TENC) member. The group or individual must produce a project/workshop/webinar/paper/individual achievement that will have utility to TENC, ITE, its members, or the profession over time. It is preferred that the chair of the group or the individual is not a member of the TENC Executive Committee.	Award will consist of a trophy or plaque given at the ITE Annual Meeting and Exhibit. The submission/nomination may also be made available online and recognized in <i>ITE Journal</i> .
ITE PEDESTRIAN AND BICYCLE STANDING COMMITTEE BEST PROJECT AWARD	Bestowed on a project that applies innovative design solutions or study techniques related to pedestrian and bicycle activities. Projects that best benefit the profession and the public are encouraged to be submitted for consideration. Submissions that effectively communicate a problem statement, clearly outline methods used, highlight results, advance feasible and reliable solutions, and demonstrate the benefits to the public will be given the highest consideration.	<ul style="list-style-type: none"> <li>For a project to be considered eligible for the award, it must have been fully completed during the prior calendar year. Completion may include publishing a study or report, finalizing design documents, or completing construction.</li> <li>A Complete Streets Council member or a Pedestrian and Bicycle Standing Committee member should have had a significant role in conducting the project.</li> </ul>	Award will consist of a trophy or plaque given at the ITE Annual Meeting and Exhibit and recognition in <i>ITE Journal</i> .

Award Name	Purpose	Eligibility	Award
ITE PUBLIC AGENCY COUNCIL ACHIEVEMENT AWARD	Recognizes government agencies that achieve excellence. This award is not directed toward the technical work of the agency, but rather how the agency conducts its business. Recognizing excellence in management and for the implementation of innovative ideas and the importance of the support systems that provide for the delivery of outstanding outcomes in transportation engineering, planning, operations, or related activities.	Eligibility extends to local governments, regional organizations, state or provincial agencies, and transportation districts and authorities. The award may be divided into more than one category, depending on the size of the agencies submitting entries for the competition.	Award will consist of a trophy or plaque given at the ITE Annual Meeting and Exhibit and recognition in <i>ITE Journal</i> .
ITE TRANSPORTATION SYSTEMS MANAGEMENT & OPERATIONS COUNCIL: INDIVIDUAL AND PROJECT/ORGANIZATION AWARDS	<p>The <b>individual award</b> honors the accomplishments of someone in the transportation systems management and operations/ITS field that has, over the course of their career, provided significant benefit to the advancement of TSM&amp;O and/or ITS in society.</p> <p>The <b>project/organization award</b> seeks to recognize the development and/or implementation of notable projects or organizations that demonstrate the successful use of ITS technologies to improve the efficiency of surface transportation facilities with significant societal mobility.</p>	<p><b>PROJECT/ORGANIZATION AWARD</b></p> <ul style="list-style-type: none"> <li>Nominated projects must be completed during the previous calendar year and must produce a product which will have utility to ITE, its members, and/or the profession.</li> <li>Nominated organizations should exemplify the effective application of TSM&amp;O/ITS tools and strategies as a team.</li> <li>All entries should promote the advancement of TSM&amp;O/ITS.</li> <li>ITE membership is not a requirement.</li> </ul> <p><b>INDIVIDUAL AWARD</b></p> <ul style="list-style-type: none"> <li>The individual must have significant professional involvement in the areas of transportation management, operations, and/or ITS.</li> <li>The individual must have displayed achievement in the areas of research, planning, implementation, operation, and/or management for the advancement of TSM&amp;O/ITS.</li> <li>ITE membership is not a requirement.</li> </ul>	Each award will consist of a trophy or plaque given at the ITE Annual Meeting and Exhibit and recognition in <i>ITE Journal</i> .
ITE TRANSPORTATION SAFETY COUNCIL INDIVIDUAL/ORGANIZATION AWARDS (EDMUND R. RICKER AWARDS)	<p>The <b>individual award</b> is given to a person who is recognized as a leader in the field of traffic safety through his/her safety activities in professional organizations, in the community, or in the performance of traffic engineering.</p> <p>The <b>organization award</b> is given to an organization that has provided exemplary support for traffic safety through financial support, public relations, or other means.</p>	Individuals or organizations that have completed significant projects or demonstrated a strong commitment to improving transportation safety are eligible.	Awards will consist of a trophy or plaque given at the ITE Annual Meeting and Exhibit and recognition in <i>ITE Journal</i> .
ITE TRANSPORTATION EDUCATION COUNCIL INNOVATION IN EDUCATION AWARD	Seeks to advance innovation in transportation education by recognizing an individual, college/university department, or organization/learning institution that has implemented an innovative technique or program to attract, develop, and/or retrain transportation professionals.	Individuals, college/university departments, and organization/learning institutions are all eligible to submit applications to the awards chair.	Award will consist of a trophy or plaque given at the ITE Annual Meeting and Exhibit and recognition in <i>ITE Journal</i> .

## HSIS RESEARCH PAPER COMPETITION

Award Name	Purpose	Eligibility	Award
<b>HIGHWAY SAFETY INFORMATION SYSTEM (HSIS) RESEARCH PAPER COMPETITION</b>	The goal is to encourage university students to use HSIS data with the intent of introducing potential future highway safety professionals to good quality safety data, the application of appropriate research methods to derive recommendations, and the practice of using data to make decisions.	The HSIS Research Paper Competition is open to undergraduate and graduate students in degree-granting programs that support highway safety, including but not limited to, engineering, planning, statistics, psychology and economics. Participants who have graduated from a program within the six months prior to the submission date are also eligible, if the paper is based on work conducted as part of the program. <ul style="list-style-type: none"> <li>• Applicant(s) must be enrolled as a graduate or undergraduate student in the 2017–2018 academic year or graduated from a university located in the U.S. during the 2017–2018 academic year. (Faculty can advise but cannot co-author)</li> <li>• Analysis must be conducted on data requested and acquired from the Highway Safety Information System (<a href="http://hsisinfo.org/datarequest.cfm">http://hsisinfo.org/datarequest.cfm</a>). Data from other states or localities may be used in support of the primary analysis using HSIS data.</li> <li>• Submissions by individual students or groups of students will be considered. Teams, however, must define one lead student and contributing students for the project. (Prizes reflect this requirement.) Faculty can participate in an advisory role but cannot be coauthors on the paper.</li> </ul> <p><i>Note: The turnaround time for requested HSIS data, <a href="http://www.hsisinfo.org/datarequest.cfm">www.hsisinfo.org/datarequest.cfm</a>, is normally less than two weeks; however, time needed to conduct analysis of this data varies per project. Please be sure to plan accordingly and in advance of the paper submission deadline.</i></p>	<b>See table below</b>

	1st Place	2nd Place	3rd Place
<b>Recognition at the ITE 2018 Annual Meeting and Exhibit</b> (August 20-23, 2018, Minneapolis, MN) All authors will be acknowledged and receive a plaque.	X	X	X
<b>Registration for the 2018 ITE Annual Meeting and Exhibit (August 20-23, 2018, Minneapolis, MN) will be provided to the lead author only.</b>	X	X	X
<b>Lodging (2 nights) will be provided for the lead author to attend the 2018 ITE Annual Meeting and Exhibit (August 20-23, 2018, Minneapolis, MN)</b>	X	X	
<b>Roundtrip, domestic airfare will be provided for the lead author only to attend the 2018 ITE Annual Meeting and Exhibit (August 20-23, 2018, Minneapolis, MN).</b>	X		
<b>Paper will be published in <i>ITE Journal</i> and/or on the HSIS website.</b>	X
