

ITE Smart Communities Showcase: The Intersection of Transportation and Technology

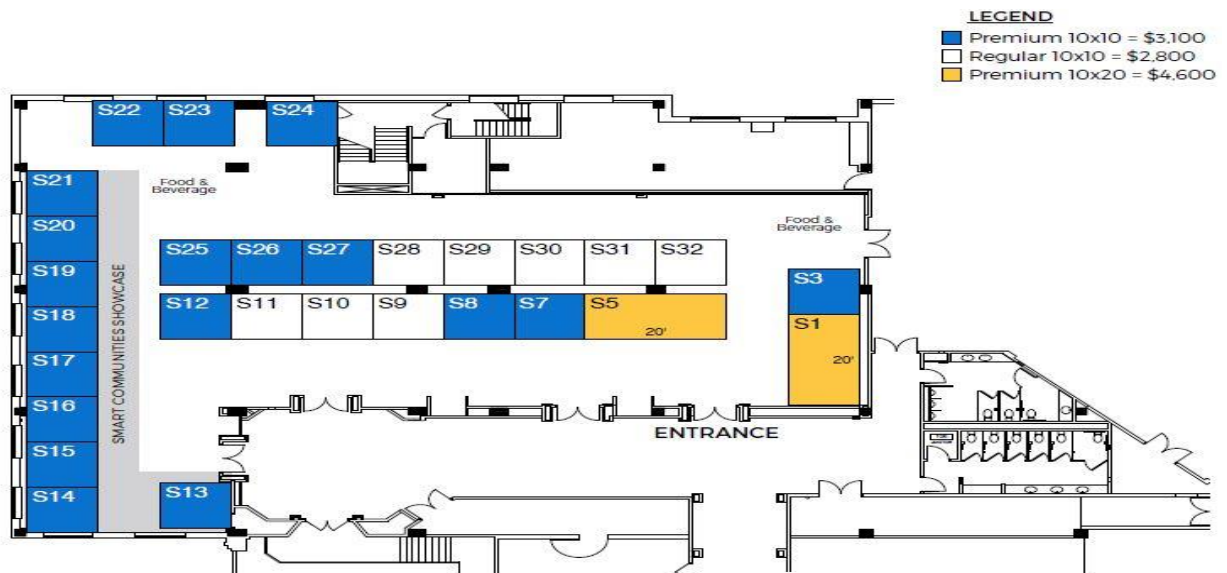

The Institute of Transportation Engineers (ITE) invites you to participate in the **ITE Smart Communities Showcase**, August 20-23, at the Hilton Minneapolis, Minneapolis, MN. Part of the Joint ITE International and Midwestern/Great Lakes Districts Annual Meeting and Exhibit, this showcase brings together leading technology and other companies at the forefront of Smart Community development, entrepreneurs, and local, state/provincial, and federal/municipal public agencies. The Showcase is in the Symphony Ballroom, one of two exhibit halls at this meeting.

In the ITE Smart Community Showcase, exhibitors will be able to engage with more than 1,500 transportation professionals and other exhibitors to:

- Demonstrate new, cutting edge technology innovations;
- Emphasize the need for public-private partnerships;
- Share expert insight on the critical role transportation plays in the fabric of a Smart Community; and
- Develop and strengthen collaborative efforts.

There is a limited number of booths available in the ITE Smart Communities Showcase, priced at the rate of \$3,100 per 100 square feet and available on a first-come, first-served basis.

**JOINT ITE INTERNATIONAL & MIDWESTERN /
GREAT LAKES DISTRICT ANNUAL MEETING & EXHIBIT**
