

December 6, 2018

ONE ITE transition teams in Florida, the Midwest and Great Lakes, and the Western District are all in various places in their transitions. As we highlighted in the last column, the Northeastern District will be testing the new District Charter and Bylaws. We were able to convince Mike Salatti, who led the District Charter and Bylaws effort, to also lead the Section Charter and Bylaws updating. Thanks Mike!!!!

The sub-task force of the ONE ITE Task Force that was set up to engage local leaders from the Rocky Mountain states to address ideas, issues, and concerns associated with the formation of a new district held its first meeting last week. In the meeting, Randy McCourt (task force leader) identified the process and number of meetings that will be used and answered questions from the sub-task force members. More meetings to come in the following months. If you have any questions please contact Randy directly at rsm@dksassociates.com.

We have also held webinars with District, Section, and Chapter leadership to discuss the ONE ITE initiative.

If you would like more information on the ONE ITE initiative please go to <https://www.ite.org/about-ite/governance-documents/oneite/> or email us at ONEITE@ite.org.
