

Jason A. Crawford, P.E., F.ITE

2020 Candidate for International Vice President

Division Head/Research Engineer
Texas A&M Transportation Institute
Arlington , TX

j-crawford@tti.tamu.edu | 817.462.0534

My vision for sustaining and building on our recent successes is a commitment to delivering compelling member value.

DELIVER COMPELLING MEMBER VALUE

Products

- ◆ Strengthen member engagement in our technical councils to identify and create new content.
- ◆ Promote greater involvement from districts into council products to provide well-rounded technical content.
- ◆ Improve existing technical products that have been a foundation of ITE in ways that reflect changes in our profession.
- ◆ Create forward-looking resources that can be easily updated with current examples to help practitioners perform their jobs.

Learning

- ◆ Improve marketing of our webinar and podcast channels.
- ◆ Identify and pilot new innovative learning channels that best meet the needs of our members.
- ◆ Endeavor for topic and speaker diversity in our technical programs to meet the needs for all members.

Networking

- ◆ Welcome and recognize visitors and new members at meetings to encourage their membership.
- ◆ Strengthen and promote consistency between ITE's affinity groups under the OneITE platform so members have clear expectations of their experience across ITE.
- ◆ Promote growth of the mentor program across all levels of work experience as we continue to grow throughout our careers.

Leadership

- ◆ Place engaged and aspiring young leaders into task and project leadership opportunities.
- ◆ Promote microvolunteering matching enthusiastic members with our many needs.
- ◆ Develop a streamlined onboarding experience for newly elected leaders.

I am committed to serving ITE members by improving your experience, and delivering compelling value.

“ITE has given me so much through my service in both appointed and elected leadership positions at the student chapter, section, district, and international levels. The life-long learning, networking, and leadership opportunities have allowed me to grow both personally and professionally. My ITE peers and friends are an extension of my family.”
