

March 27, 2019

On March 22, the ONE ITE Sub Task Force released a draft transition plan to the presidents of the Mountain District area sections and chapters who then shared this with their members. The transition plan includes a summary of how a new district would be developed from the Western District including discussion of charter/bylaws, geography, governance, finances, and upcoming meetings. The Western District has posted on the [Western ITE website](#) the transition plan that the Western District Board approved in January. The ONE ITE Sub Task Force will be receiving and considering comments on the Mountain District transition plan until the middle of April and then will forward their final transition plan to the International Board for their consideration at their May 7–8, 2019 in New Haven, Connecticut. The Sub Task Force is advancing action plans related to governance, finance, leadership, communication, member experience, student/young members, and meetings. Please feel free to share ideas, thoughts, and comments with the Sub Task Force Chair Randy McCourt at [rsm@dksassociates.com](mailto:rsm@dksassociates.com).
