### **Section Affiliate Transition**

The campaign to transition section affiliates to ITE members begins this week. Starting this Friday, we will be sending out emails to all the section affiliates who we have been notified about by section leadership, with information on how to log into our website and join ITE for the price of section dues. Section affiliates who pay for their dues in this way will be a part of our community of more than 15,500 transportation professionals and will gain access to all the benefits of ITE membership.

We will send a number of email notifications to our affiliates providing them this offer, but it would be very helpful for sections that sent us affiliate information to mention at upcoming meetings and in newsletters, for affiliates to be on the lookout for emails from [info@ite.org](mailto:info@ite.org) with instructions on how to take advantage of this offer. There are resources such as a newsletter article/email and slides that can be accessed here: <https://www.ite.org/membership/current-members/leadership-tools/>

Thank you to all the sections who sent us your affiliate information. With your help, we are working together to support the ONE ITE Initiative: to deliver a consistent member experience, provide effective member support, and ensure the long-term viability of ITE. If you have any questions, please contact Colleen Agan at [cagan@ite.org](mailto:cagan@ite.org).

If you would like more information on the ONE ITE Initiative, please go to <https://www.ite.org/about-ite/governance-documents/oneite/> or email us at [ONEITE@ite.org](mailto:ONEITE@ite.org).
