We are beginning work on new model Section Charter and Bylaws and expect that this process will go quicker now that we have the District Charter and Bylaws under our belts. The District 10 (Florida) transition team had its first meeting last week and is excited to get going on the formation of four new sections! The sub-task force of the ONE ITE Task Force from the Rocky Mountain states held its second meeting and is working towards a face-to-face meeting early next year to hash out details. If you have any questions please contact Randy McCourt directly at [rsm@dksassociates.com](mailto:rsm@dksassociates.com).

We have also held webinars with District, Section, and Chapter leadership to discuss Section Affiliates and our transition plan for them.

We have been very excited to see the passion and enthusiasm of the volunteers for our transition teams. They are all showing why ITE is such a great organization. Thank you all!
