Traffic Signal Timing Manual

© 2009 Institute of Transportation Engineers

ISBN-13: 978-1-933452-48-7; ISBN-10: 1-933452-48-10; TB-020

Posted: 01/22/10

On pages 5-12 and 5-13, the 'where' should read:

CP = change period (yellow change plus red clearance intervals), sec.;

t = perception-reaction time to the onset of a yellow indication, sec.;

a = deceleration rate in response to the onset of a yellow indication, ft/sec²;

L_v = length of vehicle, ft.
