Institute of Transportation Engineers

Past Presidents’ Award for Merit in Transportation

Open to any non-student member of ITE who has not reached his or her 35th birthday by April 1 of the award year, the Past Presidents’ Award for Merit in Transportation is intended to encourage the conduct and reporting of independent and original research and to provide a means for recognizing outstanding accomplishments by young engineers in the field of transportation engineering. The recipient is selected by a panel of past presidents of ITE.
